DUST FILTER

DESCRIPTION

Plastic fan guard-set with dust filter, for standardized fan sizes 40x40mm up to 175x150mm.

The set includes 4 pcs: plastic fan guard (identical with FGxxK), insect screen (plastic smash), coarse dust filter FL100 filter class G2 DIN EN 779, and frame; delivery not assembled. Assembled delivery on request.

Material: PA6/PA66, color: black, flammability UL94-V-2.

Mounting (plastic guard first): 4 countersunk-head screws DIN EN 965 M4 or 4 tapping screws DIN7983, 3.9

Insect screen and coarse dust filter have been inserted in the frame and then snapped all together on the plastic fan guard.
